Disclosure			
<p>Radon Gas – Notice to Prospective Tenant(s): Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in this state. Additional information regarding radon and radon testing may be obtained from your county public health unit.</p>			
<p>I certify that answers given herein are true and complete to the best of my knowledge. I authorize investigation of all statements contained in this application for tenant screening as may be necessary in arriving at a tenant decision. I understand that the landlord may terminate any rental agreement entered into for any misrepresentation made above.</p>
